Established in 1990, S & L Spindles, LLC specializes in pressure treated outdoor wood deck products. Staircase balusters, spindles, and wooden handrails are our specialties for over 25 years. We focus on exceeding our customers' expectations with quality products and services, short lead times, and excellent customer service. Our current customer base consists of retail home centers, wholesale distributors, treating plants, home builders, and DIY homeowners.

From our three high-profile moulder lines to our smallest lathe, we strive for efficiency which means we can offer you the best competitive pricing. Our workforce is cross-trained within specific groups to perform in high skill areas such as turnings, mouldings, and preventative maintenance, allowing us to maintain high production and efficiency capabilities. As an Amish owned and operated wood manufacturer, we value integrity as one of our greatest qualities. We strive to pass this value on to you as we work towards building relationships and meeting your needs.

S&L Spindles LLC is a leading manufacturer and online retailer of spindles, deck railings, fence pickets, lamp posts and much more.

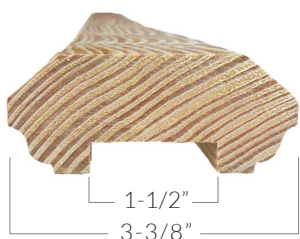

HANDRAILS & LATTICE STRIPS

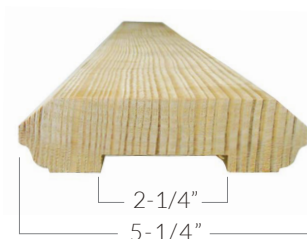

Elevate your home projects with S&L Spindles' hand-crafted handrails and lattice strips. Our handrails come standard with a spindle notch, ensuring easy installation without the need to drive a screw through the top. When paired with our lattice strips, installation becomes even more convenient and seamless.

All Handrails available Pine and Cedar in 6' (72") and 8' (95.5") lengths. The 2x4 Handrails are compatible with the 2x2' and 3x3' spindles, while the 2x6 Handrails are compatible with the 3x3' and 4x4' spindles.
